Answer Key

Long Answer Questions - Expected Responses

1. Explain the significance of Saint Benedict in the history of the Christian church during the Middle Ages.

Expected Answer: Benedict of Nursia, founder of the Benedictine Order, wrote the Benedictine Rule, which regulated monastic life.

2. Discuss the Carolingian Renaissance and its impact on Western Europe.

Expected Answer: The Carolingian Renaissance was a period of cultural and intellectual revival in Europe, primarily associated with Charlemagne and his successors.

3. Analyze the relationship between the Papacy and the Frankish rulers during the Middle Ages. How did this relationship shape the political landscape of Western Europe?

Expected Answer: The Papacy's power grew with the support of Charlemagne and other rulers. The Pope crowned Charlemagne Holy Roman Emperor.

4. Explain the Investiture Controversy and its consequences for the relationship between church and state in the Middle Ages.

Expected Answer: The Investiture Controversy was a conflict between the papacy and secular rulers over the appointment of church officials.

5. Describe the Great Schism of 1054 and its long-term impact on Christianity.

Expected Answer: The Great Schism of 1054 formally split the Christian Church into Western (Catholic) and Eastern (Orthodox) branches.

6. Discuss the role of monasteries in preserving knowledge and providing social services in medieval Europe.

Expected Answer: Monasteries played a crucial role in preserving knowledge, promoting education, and providing social services during the Middle Ages.

7. Explain the feudal system in medieval Europe and its impact on social and political structures.

Expected Answer: Feudalism was a hierarchical system of land tenure and vassalage that shaped social and political structures in medieval Europe.

8. Analyze the rise of medieval cities and their influence on economic, social, and cultural developments in Europe.

Expected Answer: The rise of medieval cities was a significant development, leading to economic growth, social change, and the emergence of a new urban culture.
