Answer Key

Long Answer Questions - Expected Responses

1. What is the main goal of the survey being conducted by the Institute of Educational Problems of the National Academy of Educational Sciences of Ukraine?

Expected Answer: The survey aims to understand the role of extracurricular education during wartime and how its content and organization have adapted.

2. How does the survey ensure the confidentiality of the participants' responses?

Expected Answer: The survey is anonymous, and results will be presented in aggregate form to protect individual privacy.

3. Who is the intended audience for this survey?

Expected Answer: The target audience includes educators from both formal and non-formal educational settings, encompassing both general and extracurricular education.

4. Who are the key individuals responsible for conducting the survey, and what are their credentials?

Expected Answer: The researchers are Olena Lytovchenko and Anna Kornienko, who hold doctorates and candidacies in pedagogy, respectively.

5. What specific aspects of extracurricular education does the survey intend to investigate?

Expected Answer: The survey seeks to gather information about the impact of the war on extracurricular education, focusing on its role, importance, content, and organizational aspects.

6. How are participants expected to access the survey?

Expected Answer: Participants can access the survey through unique links tailored to their roles (directors, educators, club leaders).

7. What is the timeframe allotted for participation in this survey?

Expected Answer: The survey is open from February 20th to March 31st, 2025, providing a month-long window for participation.

8. How will the information gathered from this survey be utilized?

Expected Answer: The collected data will be used to create a comprehensive report on the state of extracurricular education amidst wartime challenges.

Multiple Choice Questions - Correct Answers

1. What is the primary objective of the survey?

Correct Answer: To understand the impact of war on extracurricular education
